

Instrumental miniature clip on cardioid condenser microphone for wind instruments, strings, brass, drums and percussions.

This condenser clip on microphone has been designed for wind instruments, brass, strings and percussions, including toms and snare drums. Its Cardioid polar pattern reduces interferences from neighbouring instruments and stage monitors to a minimum. A rubber coated clamp ensures easy attachment to the bell of horns and to drums mechanics. The adjustable gooseneck always allows precise microphone alignment.

<b>Type:</b>	Condenser
<b>Polar Pattern:</b>	Cardioid
<b>Sensitivity:</b>	-65 dBV/ubar
<b>Frequency Range:</b>	70 - 16.000 Hz
<b>Impedance:</b>	600 ohm
<b>Connector:</b>	XLR 3-Pin Male
<b>Size:</b>	13 mm x 160 mm
<b>Net Weight:</b>	45 g
<b>Power</b>	18 - 48 V DC Phantom
